VISITING OAK TREE ALPACAS FROM NOVEMBER 2026

Winter Walks

Spend an hour or so meeting the herd, finding out about alpacas and how they contribute to Oak Tree Farm as well as walking with the alpacas through the fields and woodlands.
Walks are usually in small groups so we can create a bespoke experience taking into account ages and abilities. Alpacas are happiest in a herd so all walks must have a minimum of 2 alpacas walking.
Per Adult: £30
Per Child (6 to 16 years): £15 (There is no charge for a child under 6 with an alpaca-walking adult)
Accompanying adults (without an alpaca): £20
If you would like a private walk, get in touch to discuss details and costs.

Meet and Feed in the Fields

Spend about half an hour in the fields with the alpaca girls and their crias. This is a chance to learn about alpacas, ask questions and hear some of the stories about the herd.
Per Adult: £25
Per Child (6 to 16 years): £10 (Children under 6 years free with an adult)
