

TIME FOR TEA?

Tranquility in the heart of the Farm Garden

Our picnic area is right in the centre of the edible flower and herb garden.

We'll make your tea from a blend of Farm Garden herbs including lemon balm, lemon verbena and lots of different mints. Herbs are freshly picked and tea made at your table.

Tea and Cake £8

Cakes and traybakes are made by our resident baker using Oak Tree Farm produce whenever possible. If you have specific dietary requirements, just ask.

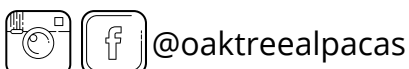

All our bakes are handmade and contain no artificial colours or flavours.

Please enquire about allergens as cakes are made in an environment which handles a range of allergens.

Please note that we only offer tea and cake when you book an alpaca experience and we need a few days' notice to arrange this.
